Contract: the Distributor Agreement, the Sales Contract, Policies and Procedures, Compensation Plan and the Products. I am of legal age in my state of residence. I agree that any false or misleading statement may result in the termination or denial of registration as an Enagic Distributor. I understand that the financial reward will come from sales of the products and not by recruiting people. I, the sponsor have explained to the applicant all relevant information which the applicant should know prior to sign up. In addition, as a selling distributor, I acknowledge that I have a good faith duty to assist Enagic in causing the customer to honor their payment obligation. At the very least, I agree to contact the customer in person or by telephone no less that three times to request that the customer make payments as required in the customer contract.
